Nicole Molt

Des Moines – The Iowa Taxpayers Association (ITA), the state’s leading nonpartisan business tax policy advocacy organization, has hired Nicole Molt as its new president. Molt will assume her new position on October 17. Since its formation in 1935, the Iowa Taxpayers Association’s mission has been to educate and inform Iowans about sound tax fiscal policy; provide state policymakers with objective, non-partisan research about the impact of specific tax and spending policies; and advocate for the adoption of rational public fiscal policy as it relates to business and corporate taxes.

As ITA president, Molt will provide leadership at the State Capitol on behalf of ITA members and communicate with members on a regular basis with updates on public policy and tax information impacting business. In addition to government and member relations, Molt will oversee the daily operations at the Iowa Taxpayers Association. She can be reached via Email at Nicole@iowataxpayers.org or by phone (515) 243-0300.

ITA Board Chair Rich Wireman of Principal Financial Group says, “We believe that Nicole has excellent qualifications along with great relationships at the Iowa State Capitol to be well positioned to help ITA provide the legislature and executive branch with input on effective business tax policy. Nicole was among a great list of candidates, and she clearly rose to the top as an effective leader to move key ITA initiatives forward.”

Nicole, who resides in Windsor Heights, has most recently served as director of government relations for the Iowa Association of Business and Industry (ABI). At ABI, her responsibilities included leading ABI’s environment committee and related policy development and communicating ABI policy positions to members as well as the legislature and state agencies. She also implemented social media into ABI’s public relations and grassroots efforts.
